

If you are purchasing any of our services, you will need to print, review the terms, and fill out the contract information below. If your not paying with Paypal, you will need to mail a money order, or a cashier's check with this agreement. Sorry no personal checks accepted. You must agree with all these the terms and conditions stated below before using/purchasing our hosting, web design, or any other services provided by JZ Internet.

Terms of Use

Upon signing up for JZ Internet's services, all customers agree to comply with JZ Internet Terms of Use. The spirit of this policy is to ensure our customers are using JZ Internet facilities with due regard to the rights of other Internet users and in conformity with the requirements of JZ Internet network environment.

Illegal Use

JZ Internet servers may be used for lawful purposes only. Transmission, storage, or distribution of any information, data, or material in violation of any applicable law or regulation is prohibited. This includes, but is not limited to: copyrighted material; trademarks; trade secrets or other intellectual property rights used without proper authorization; material that is obscene, defamatory, constitutes an illegal threat, or violates export control laws. Examples of unacceptable content or links include: pirated software, hacker programs or archives, Warez sites, MP3, and IRC bots.

Adult Content

Adult-oriented sites are not allowed. This includes sites that are associated with bestiality or child pornography, sites which promote hate against any group, sites of such nature will be removed immediately and you will not be refunded. This is also true for sites that promote any illegal activity or content that may be damaging to our servers or any other server on the Internet, or provide links to such sites.

Security

Violations of system or network security are prohibited and may result in criminal and civil liability. Examples include but are not limited to the following: unauthorized access, use, probing, or scanning of systems security or authentication measures, data, or traffic; interference with service to any user, host, or network including, without limitation, mail bombing, flooding, deliberate attempts to overload a system, broadcast attacks; forging of any TCP-IP packet header or any part of the header information in an email or a newsgroup posting.

Server Resources

Any web site that uses a high amount of server resources (such as, but not limited to, CPU time, memory usage, and network resources over their allotted limits) will be given the option to either pay additional fees (which will depend on the resources required), reduce the resources used to an acceptable level, or upgrade its service to a Dedicated Server.

CGI Scripts

CGI script sharing with domains not hosted by JZ Internet's hosting services is not permitted. Any CGI-scripts deemed to be adversely affecting server performance or network integrity will be shut down without prior notice.

Chat Rooms

JZ Internet does not allow customers to install their own chat rooms not supplied as part of the hosting package they lease from JZ Internet. Some Chat rooms tend to require significant system resources and therefore cannot be permitted as an account option.

Background Running Programs and Cron Jobs

JZ Internet will allow programs to run in the background. These programs will be considered on an individual basis and customers will incur extra charges based on system resources used and operational maintenance needed. If you wish to run background programs please [contact](#) JZ Internet Hosting Services so that we can arrange set-up.

IRC

JZ Internet does not allow IRC or IRC bots to be operated on our servers.

UCE (Unsolicited Commerce Email) - SPAM

Spamming, the sending of unsolicited mass email from or through a JZ Internet hosting server or using an email address that is maintained on a JZ Internet's hosting services machine is STRICTLY prohibited. JZ Internet will be the sole arbiter as to what constitutes a violation of this provision. Customers are also in violation of this provision if they engage in spamming using the service of another ISP or IPP, but reference in the spam a web site hosted on a JZ Internet hosting server. Violators will be assessed a minimum fine of \$500.00 and will face immediate suspension.

Server Abuse

Any attempts to undermine or cause harm to a JZ Internet hosting server or customer are strictly prohibited.

Databases

Any database stored on JZ Internet's hosting servers shall be limited in size to 50% of the total disk space allotted for that particular domain's plan/web hosting account.

Actions Taken by JZ Internet

The failure by a customer to meet or follow any of the above Terms of Use is grounds for account deactivation. JZ Internet will be the sole arbiter as to what constitutes a violation of the Terms of Use. JZ Internet reserves the right to remove any account without prior notice.

When JZ Internet becomes aware of an alleged violation of its Terms of Use, JZ Internet will initiate an investigation. During the investigation, JZ Internet may restrict a customer's access in order to prevent further potentially unauthorized activity. Depending on the severity of the violation, JZ Internet may, at its sole discretion, restrict, suspend, or terminate a customer's web hosting account and/or pursue other civil remedies. If such violation is a criminal offence, JZ Internet will notify the appropriate law enforcement authorities of such violation.

JZ Internet does not issue credits for outages incurred through service disablement resulting from Terms of Use violations.

JZ Internet reserves the right to cancel the service at any time. Customer refund requests can be sent via [email](#) and will only be processed in the cases of service non-performance where JZ Internet is clearly at fault. Refund requests for problems beyond JZ Internet control will be refused.

JZ Internet customers agree to indemnify and hold harmless JZ Internet from any claims resulting from the use of any of our services that damages them or any other party. The JZ Internet services are provided on an as is, as available basis. JZ Internet expressly disclaims any representation or warranty that the JZ Internet will be error-free, secure or uninterrupted. In cases of outage the client's sole remedy will be a pro-rated credit based on the period difference of downtime and JZ Internet promised up time. No oral advice or written information given by JZ Internet, its employees, licensors or the like, will create a warranty; nor may you rely on any such information or advice. JZ Internet and its partners and suppliers will not be liable for any cost or damage arising either directly or indirectly from any transaction or use of the services.

JZ Internet wishes to emphasize that in accepting services, customers agree that if JZ Internet is sued because of activities of the customer that violate any law, or this policy, the customer will pay any damages awarded against JZ Internet, plus costs and reasonable legal fees.

Payment for Web Design and/or Hosting Services

JZ Internet customers agree to make payment as agreed upon by the themselves and JZ Internet. For JZ Internet's web design and development services, unless otherwise stated by JZ Internet, the customer is required make a non-refundable down payment in the amount of 50% of the total fee before work or services begin. When construction of the web design and/or development project is complete, the customer is required to pay the remaining balance. Once JZ Internet receives full payment for the project, the website, or website updates, will be made visible on the server.

Hosting fees, unless otherwise stated, are due before hosting services are given. Failure to make payment by these terms may result in elimination of services and/or legal action taken by JZ Internet towards the customer(s).
